

Francois:

My lady, my love, I have been thinking of you every second of the day. I have decided that I do not want to send one more moment away from you. May I say, your eyes they sparkle like firecrackers and your smell more fragrant than kitty litter? Tell me you have been counting the seconds since our eyes last parted. Let us go to the dog park where we can sit under the stars as we stare into each other's eyes!

Rocky:

I'm doing what I do every day. I'm on guard duty. You can never be too careful. Do you see that bird over there? Well, he's been looking at me funny all day. I think he's up to something. Sure, no one suspects the bird. It's a perfect cover. I wish I could come with you. But I don't know. I'm not supposed to leave the yard. What did you say? We could chase that pesky tomcat. What are we waiting for? Come on!

Lucy:

I never got a chance to thank you for standing up for me earlier. Most dogs wouldn't have stood up to Bear like that. He's such a bully. We should keep an eye on that one. Anyway, I really had a wonderful time. The day just seemed to fly by. I always love coming to the dog park. All the dogs are having such fun. The birds are singing. I could do this almost every day. Why don't we come back tomorrow? What do you think?

Coyote:

You are not a failure. Listen, I've lost a few fights before. It kind of comes with being a coyote. I've been chased off by a German Sheppard; hit with birdshot. What separates the pups from the big dogs is our ability to get back up when you get knocked down. Right? Right! Well, it's late. I'm going to need some shut eye. Tomorrow's a big day for me. It's garbage day!

Bear:

Well, well. What do we have here? I just came to ask you a question. What were you and my lady doing at the dog park? I heard you two pups were playing fetch. Is that true? Are you trying to take my girl? Cat got your tongue? Listen, you will stay away from Lucy. Got it? No mutt will stop me from getting Lucy. Got it?

Bear:

My loyal subjects; I always knew that I was a dog born for greatness. I am the strongest of the pack. You are all very privileged canines to have such a handsome and wise king. I will bring justice and fairness to all the land. Those who stand with me will have all the dog bones they desire, all the dog toys you could think of. Those who stand against me will be exiled never to return.
